## COMMERCIALIZING EDUCATION

It appears that the main notion and advice of the leaders of big business to the rising generation of undergraduates is "Don't waste time studying anything you can't cash in right away." The art of amassing wealth has become the chief objective of man apparently, and the motto is "Get money and don't be too scrupulous how you get it, just so you get it." One who talks like that shows his lack and utter disregard of historical knowledge.

If one investigates the story of modern civilization, he will find that it began in 1453 at the fall of Constantinople when Greek scholars were driven to Venice, Padua, Florence and brought the Greek and Latin classics with them which hitherto had been forgotten or buried during the early Middle Ages. From there they spread to England and to France but not noticeably until a hundred years later. We called it the Renaissance.

At this time grammar schools were established in England, the first was St. Paul's School, and from there they spread all over England and people began to read for themselves. These schools taught Latin mostly, with Greek a close second. The whole result was the Reformation period where everybody was reading and writing. Shakespeare was educated in one of these schools and all those writers who later contributed so much to making Elizabeth's reign famous for the development of English literature. Other factors were present, the most significant one being the invention of the printing press in 1456. As far up to this time was confined to those educated in the monasteries which were comparatively few in number.

Public education began at that time and such subjects as philosophy, rhetoric, astronomy, poetry and literature were all considered important. They are now, except in America.

About thirty years ago, in response to the demands of business the colleges and the universities dropped Greek as an entrance requirement and reduced the amount of Latin required. Today, many of our colleges, in fact the majority of them, do not require Latin or Greek. French, German, and Spanish are taught because they can be turned into "cash." There may be no connection but it is at least significant that today, when those who entered minus Greek and Latin are at the helm of business, we find ourselves in a condition where the people aren't able to elect proper individuals to represent them and our only method of getting out of the mess we are in is to put Congress on the shelf, and turn over the business of governing to a single individual with practically dictatorial powers.

Not that the lack of the knowledge of the two languages is responsible but shelving those was symbolic of the thought that too much time was being wasted in useless studies and more attention should be given to the so-called "practical" studies—studies which appeal to the greed. In other words they felt that the word "Greek" would be much better spelled with a "D" instead of a "K."

## The Best for the Money

Quality will prove itself. The very best ingredients that can be purchased enter into a health-building diet at our dining hall.

Price is not our strong talking point. Quality comes first, but it is also a fact that the 21-meal ticket (7 breakfasts, 7 dinners and 7 suppers) represents outstanding value at the low price of \$5.50.

**The University Dining Hall**

by Roger Lambert

About Nothing  
(Kathryn Barnes)

Once I thought that I knew  
How deep the ocean was  
And why cats have tails; now I say  
Do I?  
(Editor's note: "All Right, Guy!")

We all wonder if a few of the students will have to break legs and necks (plural, please, proof-setters) before the University officials realize that ice is slippery and quite dangerous. For the past few weeks, we, and a hundred others have been tight-rope walking along the streets of Durham because the sidewalks were glare ice. After a while, someone DOES spread some sand over the sidewalks but only after the ice has been there a while, long enough to (as I've said) break someone's neck or leg. Yowsah!

Carnival Ball in a few weeks, males; write home for those checks. Larry Funk and that crooner with his band should prove very popular with our playboys and girls, and, of course, everything else about the carnival. Last year, we had to drive Boo-Boo to Boston, with Millie Shaw, in the afternoon preceding the ball and then, back in Durham again, drove to Rockingham to get the girl in question only to discover that she was already in Durham. And, when we arrived in Durham, the young lady wasn't the most pleased young thing this side of anywhere. We hope that Boo-Boo doesn't decide to go to Hanover, via Boston again this year.

Durhamania: Ask Bill King to show you a note that he received in one of his classes. Something about a girl who is all alone at home, with only the goldfish for company. . . Among many witticisms we never knew: Pretzel Hall. . . Clint McLane, (former official at Washington, ask him. . .), Jock Malone, Bernard Searson, and George Avery Sweeney, all busy in a tete-a-tete to decide the future of the University. . . Tiger Targonski, our honorable mayor, hides behind his fountain pen and asserts vehemently that there is no statement this week. . . Frank "College Inn" Duarte taking the art course at our dear college. . . That recording by Eddie Duchin: "I Just Couldn't Take It Baby" is eryvay oodgay. . . The old favorite gold-ball machine is back in town, downtown, but not as popular as it was last year. . . A spy whispers something about a Frankenstein in Hetzel hall. Bill Norton? . . . A tap-dancer and everything, for the floor-show at another down-town spot. But the tap-dancer lost the position on the first night. . . Piggy Prendergast announces his recovery engagement to Ruth "Pontiac" Merritt. And what has become of Bob Neal? Got to the practice-house and people will tell you that he has been seen there. . . Again George Avery Sweeney (what do his initials spell?) breaks into print by accusing Mayor Targonski of lying down on the job. Our Mayor, in a special interview, claimed that he was only looking for a collar button. . . Carl Purrington, Punchy to you all, had better beware of a blonde Venus from Scott. The girl in question is NICE! . . . Beware, Fanchy! The soda-jerker at the drug-store being taught how to sodium-bicarbonate a sodium-bicarbonate, by Jocko. . .

Whit Freeman calling up the practice-house for Mary Belle. . . Mona talking about sky-joring "skiing on the back of a horse". . . I like Purrington's piano solos (soli. . . sorry, Latin department) especially when he plays that shwelly "Hold Me". . . Sonny B.'s girl friend is busy 24 hours a day, and will be for the next month, studying, etc., and Sonny will be lonesome. . . A supper-dance Thursday night at the Inn, again. . . William Bawston Norton commencing to Boston? . . . We have to call on President Lewis soon for a nice informal chat, now that we have officially spoken of our amitie with the dean. . . We told you that Del was pastry chef now, didn't we? Well, the old boy has turned inventor. Of course, Boo-Boo's name is in it. Del has invented a new piece of pie, the "Del-Boo-Boo Special." Try it sometime. . . Have you heard of the ghost at the practice-house? Have some of the girls tell you about it. . . Incidentally, the Lambda Chi's thinking of using the practice-house for an annex. . . "Playboy" Harrison Chesley has been heavy-phonin' Mona? . . . Neal and P. M., now that there is no more Ruth? . . . Also, incidentally, Mona has decided that she cannot answer the telephone and cut a pie at the same time. . . We wonder why Bill Vaders always frowns while playing the sax? . . . Wheeler-White combination Wilde? . . . Cecile Cohen taking lessons in "sociology" from other Congreve co-eds. . .

Delia Epsilon Pi, (5 Pledges); Leo C. Jacques, Somersworth; Robert E. Johnson, Portsmouth; James K. Leavitt, N. Hampton; George MacQueen, Concord; and Glen W. MacKean, Haverhill, Mass.

Kappa Sigma, (6 Pledges); Lincoln Gowen, Concord; Paul Karkavasil, Dover; Norbert Bergeron, Rochester; Joseph Kirby, Goffstown; William Facey, Manchester.

## Alumni Notes

As a result of the Civil Works Administration, the following alumni are employed on the campus: Frances Bodwell, '31; Edmee Boulanger, '31; Miriam N. Brown, '29; Helen Butson, '32; Dorothy Calnan, '33; Louise Chase, '32; Mary Daroska, '33; Aline H. Gale, '32; Gabrielle Grenier, '33; Kelsea Griffin, '28; Harriet Hubbard, '32; Dorothy Kessler, '33; Helen Morrey, '33; Elizabeth Parks, '33; Louise Kemington, '32; Lucy Stewart, '29; Luceba Sherman, '33; Edith Walker, '31; Margaret Young, '32; Hope Amundsen, '30; Dorothy Leavitt, '31; Anna Redden, '32; Henrietta Roe, '33; Elizabeth Flint, '32; Rebecca Young, '33; Alberta Morrill, '32; Vanessa Festeau, '32; Rose Black, '32; Rose Goldstein, '33; Pauline Miller, '30; Hilda Corsi, '31; Mavis Hodgdon, '30; Eileen Devereux, '33; Elsie Robinson, '28; Elizabeth Varney, '32; Eva S. Patridge, '25; Marjorie Smith, '32; Anna Kushious, '30; Jeanne Hills, '33; Ethel Watson, '30; Mary Pickwick, '33; Edith Merrill, '33; Elizabeth White, '27; Arnold Beede, '33; Joseph Brooks, '26; Robert Crocker, '31; Leslie Curtis, '32; Edmund H. Dickerman, '32; Thornwell Dickinson, '33; Adam Dogan, '33; James Eadie, '28; John Fletcher, '33; Piesco Engel, '31; Hott Fisher, '31; Leonard Moore, '31; Raymond Osgood, '31; Warren Peckham, '33; Ellsworth Philbrick, '23; John Phillips, '29; Orrien Reid, '32; Fred Small, '32; Russell True, '28; George Walden, '32; Cedric Witham, '32; Hyman Wittenberg, '33; Edward Wood, '32; John Worthen, '33; Wilsie Currie, '31; Waldron Low, '31; Roger Spinney, ex-'29; John P. Neville, '27; Edward Tilt, '29; Clark Cantlin, '33; Harry McLaren, '31.

'13—Perley A. Foster has resigned as general secretary of the Y. M. C. A. in Lynn, Mass., after ten years of service, to accept a similar position in the "Y" at Bridgeport, Conn.

'25—Thomas W. C. Atkinson has moved to 56 Fitchburg St., Watertown, Mass.

'33—Eva Wentzell is now Mrs. Robert Eadie and the couple are living in the Leavitt Block, Durham. Bob Eadie, '32, is an assistant in the Zoology department.

## WOMAN'S CLUB

A joint meeting of the Durham Woman's Club, the University Folk Club, and the American Association of University Women was held in the Community House, Friday, January 12, at 3 P. M. Each club held its separate business meeting and then came together for the program. This was the first attempt on the part of the three largest women's organizations of Durham to avoid duplication of program. The project was so successful that other joint meetings will undoubtedly be planned.

An announcement was made that since the offices of the Christian Work had been moved from the Commons to Ballard Hall they were in need of furniture. The women voted to join with the other organizations to procure the necessary equipment. The Folk Club announced that a Pop Concert will be held Wednesday, February 14th at 8 P. M. in the dining room of the Commons. The concert will be followed by dancing. The receipts will go to the Student Loan Fund maintained by that organization.

Mrs. E. A. Cortez, president of the Woman's Club, conducted the meeting. Mrs. Helen McLoughlin, president of A. A. U. W., spoke briefly on the reaction of the members of A. A. U. W. toward the joint meeting. Mrs. C. F. Jackson, president of Folk Club also said that the members of her club were highly in favor of the idea. She introduced the speaker of the afternoon, Miss Kay Peterson, an artist from Boston.

Miss Peterson is the head of the Art Department at Lasalle Junior College, Auburndale, Mass., and a director of the Hobby School at Newton Lower Falls. She told about the hobby school which is housed in an old dwelling. It was organized in May 1933 to encourage hobbies in adults. Here one may indulge in long suppressed desire to paint, make pottery, model or carve wood. She said that most of those attending were between 40 and 60 years of age. She expressed a regret that more people had not tried to express themselves graphically. She said that those who had gone through life without trying to paint had missed almost half of it.

Mary Joy drinks three cups of coffee and more a day. . . Johnny McGraw ran so fast on the track the other day that he had to fall down as soon as he had passed Taylor. . . Dean Woodruff, the Boston bus some time ago, bound for Newburyport, we hear, and had already reached Danvers (or was it Saugus) before she realized that she had passed Newburyport. . . Tubby Clark at the fraulein sneaking a bit of a bite, at the Wildcat, away from the maddening throng. . . George Souzanne looking out of the PO window, all alone. Thinking of Dover, George? . . . The double (almost) of Rudy Vallee, "Wigwam" Grad, has made no wench conquests yet, despite. . . Someone told us that we should buy a black hat and at least look like Winchell. . . Bob Dow decided the vacation, and had after an extended vacation, and all these freshman girls eating at downtown eateries. . . Ed Dawson may astound someone with a short story in the New Yorker, some day. . . Bill Facey wearing his Xmas neckties. What a conscience! . . . Myer Morrissey and John McGraw are going to give a special tract exhibition at the Madison Square Garden, sponsored by Malone. . . Buddy asking me who Jack Spear was? . . . Something was told me about Spotty and Osgood, can't remember what. . . Nan Powers admits that she is a duplicate (we've used the word double before) of Harpo Marx. . . The pipe display is back with us again, at Corman's. . . Evelyn Leigh going collegiate on us, with her raccoon. . . Elaine Pert (how do you spell it?) an expert at blowing smoke-rings. . . Jigger Jacques always manages to walk into the drug store at the psychological moment. And IS she NICE! . . .

## Weighty Social Problems Jealous Guardian of Future Welfare

by James G. Burch

It is rather a customary thing for people to say, whenever an involved question of social welfare is brought before them, "Well! What of it?" By this they mean to infer, I suppose, that they entertain no active interest in the question or, perhaps, that the question is too large or too deep, or too involved to warrant giving it any real amount of their time. It may be that they have already given enough time to the matter to be able to appreciate the almost utter futility (so they think) of trying to solve it, or even of hoping for its solution.

These are very human reactions. We are forever prone to take life as it comes to us. This seems a rather paradoxical statement, in view of the generally accepted belief that we live in a progressive age. Yet, if we care to look about us, we can easily see that all this talk about progress centers chiefly around our immediate environment. The modern buildings in which we live, the sleek automobiles which carry us to and fro, (and, by the way, nobody quite knows why), our magic radios,—all these, and a great many others, compose the outward evidences of our progress.

## Northeastern Tops Varsity Hockey 7-1

Grocott, Steffy Star for  
Wildcats, Cahoun and  
Irving for Huskies

A fast skating, well-developed Northeastern sextet subdued the Varsity hockey team here last Wednesday when they scored seven goals against the Wildcat's one. The red and black showed brilliant teamwork in their drives down the ice. In the first period the Wildcats were hardly able to penetrate into the Northeastern defense zone; although the Huskies were able to score twice, once by Cahoun and a second time with a fine shot by Gallagher. However, in the second period Steffy assisted by Grocott drove the stick into the nets for the sole New Hampshire goal. Again in the second period the Huskies drove through two scores; the first by Irving and a second, by Cahoun. In the final period the Wildcats were again checked after several drives up the ice and the black and red sextet, with fine teamwork, added three goals to the score.

The Wildcats also lost their first game of the season when they were topped by the Bowdoin Polar Bears at Brunswick last Tuesday. Kerr and Manion scored for New Hampshire, each playing brilliantly in the sixty minutes of play. Richardson and Billings, ably assisted by Mills, scored for Bowdoin. The final score was Bowdoin 5, New Hampshire 2.

The line-up for the Northeastern game was:

New Hampshire  
Steffy, Bowler, r. w.  
Schipper, Partridge, c.  
Grocott, Ken, l. w.  
Petersman  
Mitchener, McDermott, r. d.  
r. d., Johnson  
Angwin, Bachellor, l. d.  
l. d., Furden  
Congdon, Gwynne, g.  
g, Denton, Dingwell

### CORRECTION

In our last issue, giving the names and addresses of the committee to which nominations for the Alumni Meritorious Service medal should be sent, the address of Mrs. Margaret DeMerritt Croghan was given as 574 Chestnut Street, Mahan, Mass. This should have read 574 Chestnut Street, Woban, Mass.

## VARSITY TRACK IN TIME TRIALS

Track Men Preparing for  
Prout Games—Frosh Go  
to Andover Saturday

With the Prout games at the Boston Garden only a week away, the track team has been working out under the watchful eyes of Coach Al Miller. The first few weeks of practice has been devoted to getting into condition for this week's time trials.

The following men will probably compromise the varsity team because of their work in the past week. Cunningham and Henson will run in the 50 yard dash. Burns and Levensaler will compete in the high hurdles. In the 300, Cunningham, McKenna, and Loring, will do the running. For the one mile relay team, the men will be chosen from Darling, Funston, Hatch, Durgin, Allard, Saliba, and Perault.

Two Milers Doubtful  
The two mile team is doubtful, but it will be picked from Darling, Murray, Allard, and Spear. There are some promising men for the 600 and the 1000, but as yet, there has been no individual man. The time trials this week are to bring out some outstanding men in these events.

This Saturday, the frosh track team will travel to Andover Academy to compete in a dual meet. The frosh team showed up well against the varsity, taking second and fourth places. Lekesky was barely nosed out by Cunningham.

Lekesky Stars  
Lekesky, Mangold, and Kendall will compromise the 40 yard dash team. The 40 yard low hurdles will be Lekesky and Mangold.

In the 300, Lekesky, Barker, and Mangold, will compete. Chertok, Flanders, Woodruff, and Downes will run in the 600.

The 1000 yard team will be Woodruff, Morrison, Wright, and Morton. Lekesky and Mangold will do the broad jumping. In the high jump, Lekesky and McDonough will compete.

Two inexperienced men, Polansky and Simpson, will do the shotputting. The relay team will be picked from men in the 300, 600, and 1000 yard events.

### WOMEN'S SPORTS

The women's basketball season began this afternoon with sophomore class practice in the women's gymnasium in Thompson Hall. Other

## Sports Slants

by Jimmy Dunbar

Hello, Durham! On account of why you can't keep a good man down, or something, we're back on the job. With a little luck and maybe a good mark or two, we'll try to carry on for a while. At any rate, here goes!

Soo-o-o-o, we have a basketball team this year! Maybe Coach Swasey was right. Reports from Lowell indicated that the boys were hot down there last Saturday night, and the Brown game convinced everyone. Hats off, Durham, to a great victory.

We'll donate our old brown derby to Ben Bronstein. Our star soph came through in fine style, with that last minute basket. McKiniry ought to have at least a skimmer for his fine work, and all the boys can wear their Mil. Art caps to school next week. May they continue as they began.

Lo, and behold! Even Pal Reed picked up a few pointers at the intramurals last Monday. Some of those boys used everything but the strangle hold, and we're not even sure of that. A couple of those 135 pounders had EVERYTHING, everything but a tooth brush.

We spent all last week sympathizing with our hockey team about the lack of ice. After the Bowdoin and Northeastern game we are seriously thinking of praying for more warm weather. If they would take the example of our hoopsters, they might yet make things a little interesting.

However, the Kittens don't look half bad. New Hampton was a bit disappointing, but even our freshmen can't play hockey on snowshoes. Snow in the first period, rain in the second and sleet in the third is too much of a handicap for any team to worry down.

class practices will be announced on the women's bulletin board in "T" Hall. The hours when the gym may be used for basketball practice are: Tuesday 1:00-3:00, Wednesday 1:00-

Our tender heart goes out to the winter track men. There may be a certain satisfaction in running around a board track in short pants during zero weather, but we can think of a lot of better ways for spending these chilly afternoons. You might venture a guess or two yourself. Anyway, it's a free country.

I'll take this opportunity to thank those gentlemen of the press who carried on so nobly during my enforced absence. Both Werner and Jocko Kearns did a swell job, and we may give you a chance to look over their writings again sometime. Of course, if Werner goes punchy, and Kearns falls in love again, we'll have to keep them out of print.

Listen, Durham, and I'll let you in on a secret. If things go as they are destined to go, we may break out with a cartoonist on our sports page before long. We may even have another Bob Coyne in our midst. We'll tell you more about that later.

With winter sports, on a small scale, being the leading diversion of our athletes, one can not be shocked at the casualty list which is steadily growing. First, Lewis Crowell, our Outing Club prexy, breaking his ankle on McNutts hill, and a couple of amateur skiers getting some strange bruises and cuts on the Lambda Chi lawn, making things look as if we will have to issue licenses to our would be Winter Sports Stars.

Bill Baker, Theta Chi's slugging pug, trained for the intra-mural bouts by staging an exhibition with a certain female Carnera at the Phi Mu house just before his first fight. Bill took the count just ten seconds earlier than in the ring. I guess the boy can't take 'em.

3:00, Thursday 1:00-3:00, and Friday 3:00-6:00, and Monday, Wednesday, and Thursday evenings from 7:00-8:00.  
The Freshman-Sophomore game on

## SEMI-FINALS TO BE HELD MONDAY

Theta Kappa Phi Wins Two  
Classes in First Round  
Intramurals

With winners in both 135 and 145 pound classes, the Theta Kappa Phi fraternity took the lead in the intramural boxing championships, with the semi-finals scheduled on Monday.

The feature bout of the evening was a three round slugfest between Scanlon of Theta Kappa Phi and Shaw of Lambda Chi Alpha. Both of these men mixed it up all the way through.

Shaw took the first round by the narrowest of margins, but Scanlon landed a couple of hard rights early in the second, leaving Shaw a bit groggy.

However, both men slugged their way through the third round, with Scanlon winning on a technical KO a minute before the end of the round. Another interesting bout was the comedy between Moss of Phi Delta Upsilon and Kirby of Kappa Sigma. Neither boys had much experience, and both began swinging wild rights as soon as the bout began.

Moss got a little rattled after a few moments and began to swing wildly, ducking carelessly, and occasionally protected himself by running into corners. Kirby's best defense was a quick dive to the floor, where he remained until Referee Reed hauled the bloodthirsty Moss away. As Kirby tired considerably in the last minutes, Moss was given the decision.

Summary of Bouts  
Results of the bouts: 115 lb. Wage-man, S. A. E., defeated Andberg, A. K. P. 125 lb.; Werner, T. C., defeated Blaisdell, P. D. U., 135 lb.; Powers, P. K. A., defeated Madison, A. K. P.; Nossiff, A. K. P., defeated Brady, P. K. A.; Landry, T. K. F., defeated Woodman, T. C.; Moss, P. D. U., defeated Kirby, K. S., 145 lb.; Scanlon, T. K. P., defeated Shaw, L. C. A.; 155 lb. Heim, A. T. O., defeated Baker, T. C.; Betley, P. K. A., defeated Kingsman, T. K. P.

Friday, January 26, at 4:00 in "T" Hall, will open the season. The other games scheduled are: Juniors-Seniors, Friday, January 26, at 4:30; Juniors-Freshmen, Monday, January 29, at 7:00; Sophomores-Seniors, Monday, January 29, at 7:30; Seniors-Freshmen, Wednesday, January 31, at 7:00; Sophomores-Juniors, Wednesday, January 31, at 7:30.

## Frosh Hockey Team Whips Northeastern

Kittens Score Four Goals in  
Last Period and Hold  
Visitors Scoreless

After their close scrap with New Hampton last week, the Kitten Hockey team showed their true color when they whipped the Northeastern freshmen, 4-0, last Wednesday.

The New Hampshire frosh were held scoreless for the first two periods. However, in the last period they broke loose and scored four goals, the fourth being scored in the last second of play.

Again outstanding for the freshmen was Davison, who ably checked plays in his zone. Hargraves also played brilliantly at defense. In the forward lines, Rogers, Merrill, Manchester, Lang, and Giblein displayed brilliant stickwork. In the goal, both Wilson and Horton made spectacular saves.

The first goal was made by Rogers on a pass from Merrill. The second was made by Manchester on a shot from the boards. The second line also displayed their prowess when a spectacular pass from Browning, who had been checked into the boards, was netted by Giblein, the center. In the last second of play, Davison passed to Rogers for the goal.

Today the Kittens are scheduled to

## New Hampton Holds Kittens to 2-2 Tie

The University of New Hampshire freshmen battled the New Hampton varsity team to a 2-2 tie at New Hampton Saturday, January 13. Due to the poor condition of the ice, both teams failed to play their best.

The freshmen, favored by Lady Luck, found the goal twice in the first period. The initial score came when Manchester, being on the receiving end of a short pass, pushed the puck into the goal. Next, Rogers came through, scoring on a long shot. Not to be outdone by the N. H. kittens, the New Hampton sextet came back fast in the later periods tying the score.

## VARSITY OPENS WITH VICTORY

New Hampshire Hoopsters  
Take Lowell Textile—  
Score 47-27

Opening the season with an offensive drive which swept a promising Lowell Textile team off its feet, the University of New Hampshire basketball team won by the score of 47-27 at Lowell on Saturday night.

Led by McKiniry, veteran guard, who scored thirteen points, the varsity piled up an early lead, held it throughout the first half, and then went on to swamp the home team in the last minutes of the game.

Handicapped by the graduation of Athanas and Savard, perennial athletes at Lowell, the Tech team was unable to cope with the strong defense of the Wildcats. While Muller, veteran forward, scored 13 points, the rest of the team had difficulty in locating the strings.

Coach Swasey used two full teams during the game, substituting Joslin, Toll, Walker, Wilde and Stylianos. Each of the first four men on the second team managed to score at least once. Bronstein and Koehler followed McKiniry's lead, scoring seventeen points between them.

play at Dartmouth and tomorrow they journey to Tilton.

The line-up of New Hampshire was: Merrill, Browning, Facey, right wing; Rogers, Giblein, center; Manchester, Lang, Clark, left wing; Hargraves, Norris, Dickie, right defense; Davison, left defense; Wilson, Horton, guard.

The line-up of Northeastern was: Hakanson, McFawn, left wing; Fowler, Newcomb, center; Callahan, Bialick, left wing; Heyld, right defense; Nason, Chipman, left defense; Lewis, guard.

# Only the Center Leaves are used in LUCKIES

*For these are the Mildest  
and fully ripened for  
perfect smoking*

We buy only the center leaves for Luckies. Not the top leaves for they are under-developed. Not the bottom leaves for they are inferior in quality. Only the center leaves for these are truly mild and fully ripe. And that's the fine tobacco we use—to make Luckies so round, so firm, so fully packed—free from loose ends that spill out. That's why Luckies are always mild, always *truly* mild. And remember, "It's toasted"—for throat protection—for finer taste.

Lucky Strike presents the Metropolitan Opera Company

### SOCIETY NEWS

**Alpha Gamma Rho**  
A well attended "vic" party was held last Saturday evening with Mr. and Mrs. Lawrence Dougherty as chaperones.

**Tau Kappa Epsilon**  
Last Saturday night a victrola party was given at the chapter house. Refreshments added to the enjoyments of the evening.

**Tau Kappa Epsilon** members and pledges attended the morning service at the Community Church Sunday in memory of the former faculty advisor of the chapter, Professor Eugene C. Bishop, who had died in his home on the Pacific coast the preceding week. It is with a deep sense of loss that this chapter of Tau Kappa Epsilon acknowledges the passing of a man who was so instrumental in shaping the destinies of this chapter in its early days.

**Theta Kappa Phi**  
A Victrola Party was held at the chapter house last Saturday night. Mr. and Mrs. Kichline were chaperones.

Visitors at the chapter house last week were Walter O'Neil, '33, "Duke" Maynard, '32, and Victor Sacco, '28. Theta Kappa Phi fraternity was recently expanded by the addition of a new chapter, Kappa Chapter, at the University of Oklahoma.

**Campus Scouting Crew**  
The members of the Campus Scouting Crew held a get-together Wednesday evening and organized for the winter term. The first meeting of the team will be held Wednesday evening, January 31. Anyone who is interested in the organization is invited to attend the meetings.

**Book and Scroll**  
Professor Richards gave a very interesting talk on letters at the meeting held by Book and Scroll last week. He read some intimate letters written by great Greek and Roman citizens which the writers had no intentions of appearing before the public eye centuries later. One letter written by the renowned Plato asks for a small loan, payable when possible, from a personal friend.

Robert Nixon also showed his display of autographs. This collection which was begun in 1931 consists of famous contemporaries. Among the autographs are those of the seven living wives of presidents, South American leaders, Franklin D. Roosevelt, Rudyard Kipling, and a great many prominent European and American statesmen.

**Folio**  
The Folio will elect new members in the near future. It has been suggested that a sub-class consisting of freshmen be added, as those now members are upperclassmen. Nothing is definite as yet.

**A. A. U. P.**  
Dr. Parker is going to speak at the meeting of the American Association of University Professors on Thursday. He was sent to Philadelphia to the National A. A. U. P. meeting as

a delegate from the University of New Hampshire and his talk will be largely on this meeting.

**Kappa Delta**  
The local chapter of Kappa Delta announces with pleasure the pledging of Hazel Colburn, Draught, Mass. Gertrude Chamberlin and Helen Thompson were guests of the chapter last week-end.

**Progressive Club**  
The Progressive Club program for the remainder of the winter term is as follows:

January 15—Professor H. Smith, Capitalism at its Best.  
February 1—Elene de Laurentis, Ten Years of Fascism.

February 8—Speaker from the Nation Student Federation (tentative).

February 15—Robert Armstrong, The Social Program of the Churches.

February 22—Prof. H. Rudd, Humanism.

March 1—Prof. D. Babcock, Theism.

March 8—Closed Meeting.

The Progressive Club is a Christian Work Activity and is made up of a group of students who are anxious to discuss problems that are vital to the lives of thinking persons as members of our organized society. The original purpose of the group was to provide a means of meeting for University members who wanted to assemble. Discussion of current affairs seemed to generate a desire for action so now the Progressive Club is organizing committees to investigate possible opportunities for student action. The very purposes of the club indicate that the group is not radical in the inflammatory sense, but only in the true meaning of the word; that is, in the sense of examining things from the roots and in their entirety.

The group is not formally organized but exists only because of the interest of its members. The public is cordially invited to attend the meetings.

### WOODRUFF APPOINTED TO NAVAL ACADEMY

United States Senator Fred H. Brown of New Hampshire announced Wednesday the appointment of John F. Woodruff, son of Captain and Mrs. John W. Woodruff of the Portsmouth Navy Yard, to the U. S. Naval Academy at Annapolis. Woodruff is a freshman at the University of New Hampshire and a Theta Chi pledge.

Before entering the University, Woodruff prepared at University High School, Oakland, Cal., Portsmouth, N. H., and the Severn School in Maryland. He was on the New Hampshire freshman football squad and is a very promising member of the freshman Winter Relay team. He has passed the entrance examinations and will enter the Academy next June.

Vernon C. Winn of Franklin, also a freshman here, was appointed first alternate.

ried recently in "The Little Church Around the Corner" in New York City. Miss Gyneth Prew of Foxboro, Mass., a classmate of the bride, was the bridesmaid.

Mr. Mitchell during his senior year at the University was president of his class and Theta Chi fraternity, and upon his graduation he was awarded the Hood Achievement Medal as the most representative of the Blue and White.

During the bride's college years she was a member of Phi Mu sorority, Book and Scroll, Mask and Dagger, Phi Lambda Phi honorary Physics society, and Le Cercle Francais, honorary French society.

### CHARLES NAMED ON POULTRY COMMITTEE

Prof. T. B. Charles, head of the Poultry department of the University of New Hampshire, was named on a committee of leaders at the third annual Northeastern Poultry Producer's council being held at the Hotel Wellington in New York. The committee is charged with drafting a program for the stamping out of "racketeering in poultry markets."

There are three other official representatives of New Hampshire attending the sessions, including Lawrence A. Carlisle of Concord, chief of the Bureau of Markets; Grant Jasper of Hudson, president of the New Hampshire Poultry Growers' association; and Harry C. Woodworth of Durham, former management specialist.

### SOCIETY NEWS

by Martha Burns

**Alpha Chi Omega**  
Dr. and Mrs. Thomas Phillips were guests of the chapter at dinner Wednesday evening, January 17.

Helen Daggett, '31, was married to Dean P. Williamson on December 20, 1933, in Durham.

Nancy Powers has been installed into the office of secretary.

Ethel Tufts, former secretary, is practice teaching.

**Phi Mu**  
Mrs. Moore, Phi Mu national inspector, will be at the chapter house this week-end.  
Margery Smith, Rebecca Young were recent guests of the chapter.

**Theta Upsilon**  
Miss Cynthia Corson, '33, was a week-end guest at the chapter house. Miss Bada Anderson, who is practicing teaching in Concord, was a visitor at the Theta Upsilon house last week-end.

**Pi Lambda Sigma**  
The pledges of Epsilon of Pi Lambda Sigma will give a tea for the pledges of other sororities on campus Friday afternoon, January 19, from 3:30-8:30 at Miss Begg's apartment. Annette Livingston, '35, due to illness has withdrawn from the University.

**Delta Epsilon Pi**  
An unusually large crowd attended the victrola dance at the chapter house last Friday. A member displayed originality by introducing a tag-dance played with a broom, a feature greatly enjoyed and very beneficial.  
Mrs. O. V. Henderson was chaperone.

**Phi Mu Delta**  
A very successful "vic" party was held during rushing season on Saturday night date. Many of the rushers were present. A "vic" party was held last Friday evening for the members of the house.

Ted Hikel, '31, has been living at the house for the past two weeks. He is at present the State Safety Inspector for the CWA work being done in and about Durham. He is also doing photographic here in Durham. "Bug" Lowe, '30, John Fletcher, '33, and Arnold Blake, '30, are employed in Durham on CWA projects.

**Theta Chi**  
Leon E. Magoon, '35, has returned to the University after a prolonged absence due to appendicitis.

Conrad Peterson, '32, and Harry W. Steere, '26, were dinner guests at the house Tuesday night.

Tomorrow night a victrola party will be held in honor of the pledges. Karl R. Manchester and Robert W. Browning were elected chairman and secretary of the pledge group, respectively.
